Daryl Moran presenting EarlyAct (Photo by Andrew Noble)

Hi Everyone,

At our last meeting, we heard from PP Daryl Moran from RC Rowville/Lysterfield who presented on EarlyAct clubs, for senior levels of primary. Unfortunately our guest, Rhys Coulson, Principal of the Templestowe Heights Primary School was unable to attend however our club and visitors enjoyed an interesting and entertaining presentation from Daryl.

At our recent Board meeting we heard about some of the early ideas for a new major community project for our club and the community committee are hard at work

investigating more ideas. At the recent Board, we agreed in principle for a new international ABCD project in Ampara, Sri Lanka and agreed on a new meeting venue in the Clarendon Room at The Manningham Club, which was later endorsed by those present at the club meeting. An email will be coming out to all members soon about this change.

In the next four weeks, we have many important events that we can all get involved in:

- [Footy Tipping Grand Final](#) – 27 September 2017 – our all-important end of season celebration with guest speaker Jake Edwards.
- [High Tea](#) – 8 October 2017 - a crucial fundraising event for our sponsorship of brain cancer research. Bookings are now needed urgently so make up a table of friends and family.
- [Bunnings BBQ](#) – 13 October 2017 – this will be our first Bunnings BBQ fundraiser on a Friday and we look forward to a fun day and lots of sales of sausages.
- [Sakura \(cherry blossom\) Picnic Day](#) – 15 October 2017 – our club will be supporting this wonderful springtime event with car parking and donation collection.

Our best presentations are always our new members telling us a bit about themselves and this week will be no exception when James Angelevski tells us a bit about his background. Make sure you don't miss this one!

Lots of things are starting to happen now and I look forward to working with club members to help make all our events a success.

Yours in Rotary "Making a Difference".

Janis

We have learned...

13th September – The World needs more Earlyactors – Daryl Moran

The aim is to instil a sense of community volunteering in students and to promote peace, goodwill, understanding and citizenship.

Daryl is a teacher of long standing with a current gig at Sandridge School in Williamstown. He worked with the Rotary Club of Williamstown to set up the program under their stewardship. There are no membership fees and the Club provides a Banner and a Gavel. Daryl said the kids love the gavel to call for order!!

The Sandridge school group chose to provide a wheel chair for a local kid who was disabled.

They worked to fund raise through events at the school and crowd funding. What a great team.
