President's Message

Rotary Club of Templestowe's 28th Schools ANZAC Service

Our club held another very successful Schools ANZAC Service on Thursday 19 April – our 28th service! The weather was very kind and it was a perfect day. All the children were well behaved and attentive. We heard from Deputy Mayor Michelle Kleinert and Hon. Matthew Guy, MP who spoke about the spirit of ANZAC Day and what it means to all of us. A big thank you to Graeme Cobb and his Community team for organising the event, to Brian Tyedin who did a great job as MC, to all the members who attended and helped on the day, to District Governor Malcolm Chiverton and Assistant

Governor Lyndon Smith for attending and a very special thank you to the members of Templestowe RSL who assisted on the day, in particular with the flags. This year was the first time we had both an Australian and New Zealand flag flying at the service and we are grateful to Manningham Council for supplying two new flag poles at the site.

On Wednesday 18 April 2018 we had an extremely interesting presentation from Nic Daws, Doncaster Hill Place Manager from Manningham Council. She explained that by 2030 there will be 5,400 apartments on Doncaster Hill and an increased amount of office and retail space creating increased employment opportunities in the area. Currently over 40% of people living in Manningham, travel outside the council area to go to work. She also mentioned that we will get a Bunnings store with apartments above, Westfield Doncaster will expand further and there will be a water recycling plant in Eram Park in Whitehorse.

This coming Wednesday night the club will be reviewing the current Rotary year and looking forward to the next year. We will have the services of Daryl Moran from Rotary Club of Rowville/Lysterfield to assist us to pull together the ideas of all those present. This will be an invaluable session and members are encouraged to attend and contribute, so that in 2018/19 we can all “Be the Inspiration”.

Yours in Rotary “Making a Difference”

Janis

The last reported case of polio in Nigeria was August 21, 2016, therefore the nation is moving towards the first goal of no new cases reported for a three-year period.

The snapshot of this initiative is worthy of a moment of thought:

20 million volunteers

2.5 billion children vaccinated

US\$ 14 billion international investment

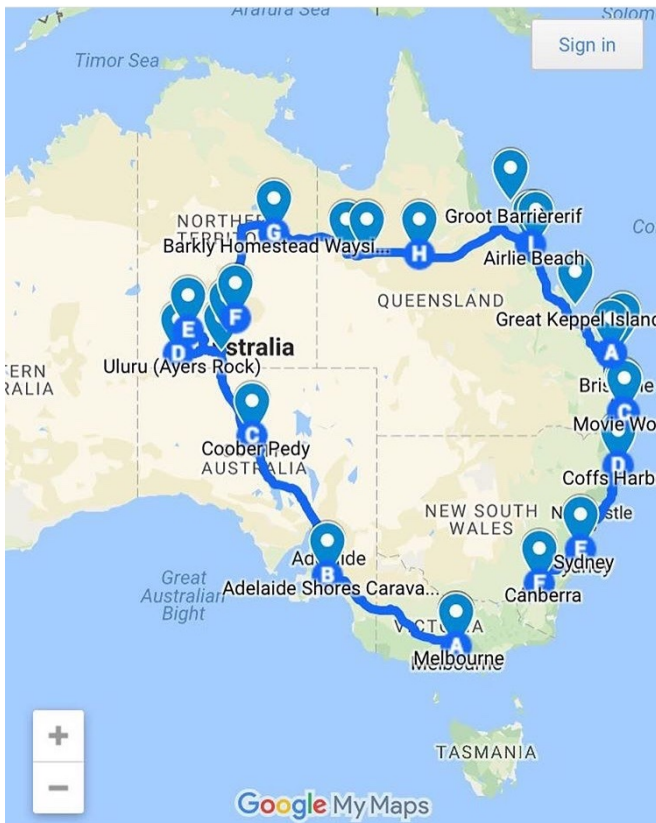

Follow the journey as we move ever closer to a world where polio has been eradicated for [every last child](#).

Where is Neele?

We continue our coverage of Neele on Safari with our Youth Exchange students.

While she is travelling, we will follow Neele and the group.

Continuing the three-week travels, we left Neele in Richmond, in far north Queensland.

April 18 – Richmond – Airlie Beach

Woodstock, Ayr and Bowen being some of the highlights on the road trip

April 19 – Great Barrier Reef

April 20 Airlie Beach – Great Keppel Island

Lots of sugar cane country before heading into the Reef and living on a smaller island.

April 21 – Great Keppel Island

April 22 Great Keppel Island – Gold Coast

Via Hervey Bay and Fraser Island.

April 23 – Free Time! Located at Gold Coast, Movie World

April 24 – Gold Coast to Coffs Harbour

April 25 – Coffs Harbour – Sydney

April 26 – Sydney

Twenty-one days, and about 6,800 kms - Neele has seen and experienced a lot of the variations across our wide brown land!

Wishing you a very happy birthday...
